“ Please accept my condolences. I knew Janita when we were in the accounting area. Always cheerful with a smile!

“ To the Middleton family. Jan was a kind, loving women of faith. My last conversation with Jan was that she had fighting her illness for three years but she did not complain. She often told me of the dedication of her son Damon in caregiving of her. Rest In Peace my dear friend until we meet in Glory!

Nita was a very close family friend and neighbor. I have so many fond memories of us (friends and her aunts) walking to church meetings and socializing together. Our families were very close. Praying for her family.

My dear Janita Faye, I am so glad that we got to know each other when Emily became a student at UMich. Thank you so much for the kindness, nurturing and compassion that you shared with Emily. You were a blessing to all who had the privilege to know you. I will carry my memories in my heart, and the conversations we shared. I love you. Rest in peace, Janita Faye.

Nita lived next door growing up in the small town of New Boston, Texas. Her mom and grandmother and my mom were the best of friends. Nita was always so very sweet and kind. Our summers and evenings after school were always spent together. We attended church together every Sunday and enjoyed a wonderful life growing up in a small country town. Nita will live on in our hearts forever. My deepest condolences to the family.
