“ *The Matthews Smith, Sr. family wishes to express its sincere condolences on the passing of their nephew, Melvin Hampton, Jr. and family’s mother, Mrs. Jauquettier Hampton. He often spoke kind words of endearment about his mother and she undoubtedly loved her son & family very much. May her memories serve as a testament to a life well-lived. God bless and keep you is our prayer.*

“ *Having a legacy is what you teach and not always about what you leave in terms of material things. Ms. Hampton is who I refer to as a perfect example of a "Mother". As I got to know her she became a mother to me by sharing words of wisdom and lessons for life that I will hold dear to my heart. The most lasting impression that I have carried with me is witnessing her sitting at her desk reading her bible and saying Hallelujah Anyhow. It was the way she said it that rings in my head as I type and you knew that it was a representation of how thankful she was for her family and how important it was for her to give glory to God. I thank Djuana, Darlene and Melvin for sharing their mom with me. May God continue to give each of you the peace that passes all understanding.*

“*Mrs. Hampton was such a beautiful soul! From the day we met, she welcomed my teenaged self into her life. She embraced me, cared for my heart, shared her wisdom, gave her compassion, her time, God's love and never wavered. I could write a book of all the ways she was instrumental in my life. She will be deeply missed and always remembered and highly regarded! Mother Hampton thank you for being a light in my life and allowing me to love you back. To Melvin and family, I love you all and please know you are in my thoughts and prayers. I'm here for you! You all did such a fantastic job at making her happy and taking care of always! Your love has always been evident and a blessing to witness! Be encouraged! May Holy Spirit give your hearts peace and comfort!*”
