“ I'll always wait for you to come around the corner at Grandma Betty's and say "Hey, Big Bird". I would give my last dollar just to hear you call me that just once more. Your ascension to the heavens brings my heart so much sorrow but I have the peace of mind to know that you will be an Angel in my corner cheering me on as I bring my daughter into the world, as I strive for more academic accomplishments, and as I forge ahead with my future. This isn't the end big cousin, just a break until we can catch up again. I love you so much.

Jawon I'm going to miss reaching for my earrings when you tell me I have a earring missing and knowing they're both there I would fall for it every time I said I wouldn't let you get me but you get all the time. Rest in peace little cousin no more pain no more discomfort you've earned your wingslove you

“ *Jawon, I'm going to miss our long late night talks and texting. I'm going to miss your physical body at Baybay's Birthday Memorials and all other family event that we have.*

I know your spirit will continue to live in all of us. I thank God for 35 years of precious memories we shall always cherish. I Believe that you are now re-connected with your mother Tonya, Baybay, Eric, Mr and Mrs. Canty, Bill and gramma Bada telling jokes as usual and rejoicing with all the angels. Nephew you have earned your wings and now you are one of my angels watching over me. I will always love you, Gone But Never Forgotten!!!
