“ *There are so many memories, I can not express them all. Holding him as a baby for the first time was a thrill of a lifetime! He was so beautiful. It stands out in my memory because I was only nine years old. As we grew older his kindness stands out in my mind, but he loved to tease, but truly I loved it. He taught me many things including how to cut an onion properly, so that me eyes would not tear. Yes, I will always miss him. I love you Jay.*
