“ *Jean was a dynamic, and classy Lady who filled a room with her presence without uttering a word...she was dignified and giving, and honest to a fault. I shall always cherish my time with her.*

“ I've known and loved you my whole lifetime. We are 1st cousins but were brought up as sisters. You were always someone I looked up to for guidance throughout my life. And sometimes you even counted on me. I can't remember a time even though we lived miles apart where we weren't there for one another. Sis I will always remember our many laughs and times of happiness we shared throughout the years. I couldn't wait to pick you up from Miami International Airport so we could just hang out, chit chat and catch up, shop until the stores closed and eat at all the best restaurants, and of course make you my homemade mango ice cream that you and your mom loved so much and of course laugh so hard until tears were strolling down our faces! Jean, you will be forever missed and loved by my family and I...ALWAYS. Your Cousin by family and My Sister for Life. To Carmen and Family, I keep you all in prayer. Sylvia Muniz & Family
