“Blessed are those who mourn, for they shall be comforted.....please be encourage to know that God causes all things to work together for good to those who love God, and to those who are called according to his purpose.....therefore, the Lord will be thy rock, and thy fortress, and he will deliver, and comfort you and your family in this time of mourning.”

“I've known Jelani for probably 35 years. He was the big brother to Malaika, my best friend. I feel like I've been a part of the family for years. I remember him always being his own unique self. He was always a great dancer and golfer. I feel so much for the family, my family. I love you all. - Khalia Thomas Hill

*Dear Ellen & Darrell our hearts are saddened to hear of the loss of your first born & our first nephew. it gave us a very special feeling to know that we not only were parents, but also an uncle & an aunt. We are sure their is no one in the family who will ever forget his beautiful smile & gracious attitude, as I will never forget the day he drug me around the golf course, winning practically every hole, and smiling all the way, saying, I guess it's just my lucky day, never once saying that my baby brothers baby brother had given him a lesson or two (smiles). UNCLE JERVIS & AUNT BAB'S. LOVE & PEACE TO ALL & TO ALL BE SAFE*

“ Jelani Lewis King, Our Special Nephew

*We felt so blessed when Jelani was born as the first of the nephews and nieces. My children were born a few years later, and they were all fortunate to have been raised together as first cousins but more like brothers and sisters.*

*We all lived close by and did so much together. In those childhood years, we shared so many times, going to Sunday School together and celebrating many, many holidays. Jelani was in the midst of all the family gatherings for Easter and Christmas and the many Mother's Day dinners.*

*Jelani went away to college and became his own person. In his adult years, I saw him grow and develop as a man. He shared his keen mind, his strong will and his own interests, especially in technology.*

*Then over the last few years, we traveled with Jelani as he bravely faced his illness. He showed courage and fortitude that I do not know how he managed to muster. He had to dig deep. Jelani grew closer to his family in these times and allowed us to share life with him. He grew in love and grace as he dealt with his challenges. He took his family with him.*

*We will miss him so much-- the first born for Darrell and Ellen and my first nephew. His Uncle John who has passed away would want to share in this message from John and me. We pray that Jelani's soul is resting and at peace.*
