“ I am praying for each one of you and will continue to pray for you all. This was so sudden that I think we are all in shock. Jenice was my best friend. She use to call me her quarter because she said she would rather have 4 quarters than 100 pennies. We met in 1985 and lost touch with each other but was reunited about 3 years ago. I seen her blossoming into her relationship with Jesus. She was a delicate flower diving into His word. She said God told her she had to work on herself before she could work on any other relationship she was having and that is exactly what she was doing. It was like a caterpillar getting ready to turn into a butterfly. I wish like all of us we could have had more time with her. It is God's will not ours. I will miss her so much she impacted my life as well and helped me with my walk with God. God bless you all and keep you in his loving arms, just be held by Him through this heartache.
