“ Brother Jerald Johns, a man of God. During his health challenges he became a part of the Detroit Metropolitan Areas’ Black Men’s Cancer Action Council. His willingness to help others was huge. Though his participation was cut short. His contribution was thoughtful and impactful. Brother Jerald Johns, your being was and will always be testimony for the justification of the Black Men’s Cancer Action Council. Thank you, our brother! We pray for God’s blessings upon your family.
