*It is a beautiful home going celebration, I will keep Jerome in my heart and the family in my prayers. I am here for support if you need anything or just need to talk. What makes this a little easier, is that I know Jerome is living with the Lord, he was a gentle soul.

“ Jerome, you & I were Facebook friends which grew from our love for American Top 40. I hadn't heard from you in a while & when I came across an anniversary post I'd written about John Lennon's murder, I saw your comment & decided to do some digging. Your last post was in 2016 & now I came across this. I am so sorry you're gone. Thanks for the support & love for music.
