“ *The Martin family, you are in my heart, thoughts and prayers in the loss of your father Darryl, your father in law Andrea and your grand farther Chelse. Earth has no sorrow that heaven cannot heal. God is be with you now and forever more.*

“ *Mr. Martin always made me feel like one of the family. Even more importantly, he made me feel like I was one of his own sons. He would be so proud to know that we got a new job or a new car. He was proud when we bought our own homes. More importantly, he was very proud of our marriages and our children. One of the most important things I never forgot that your dad taught us was to work hard in college. He said, "You can either work hard in your 4 or 5 years in college, or you can work harder for the rest of your life. That always motivated me. In fact, I told my boys the same thing. Mr. Martin will truly be missed!*
