“ My condolences go out to the family, I'm so sad for your loss and mine . I met Jessica when she came into my tailor shop in Knightdale. Found out we were neighbors a few doors down from each other. I enjoyed trying to sing at her karaoke parties. And coming to a few other parties, and she came to a few of my parties also. She knew how to throw a party. Jessica was such a Sweet . Classy, lovely person I will miss her so much. God Bless.💕💕

“ Condolences to the family during this difficult time. Jessica and I met at the Bank over 30+ years ago in Cleveland, Ohio. There's so many wonderful memories we shared during this time as well. She was the matron of honor in my wedding. The bond we had remained after she moved to North Carolina. She had a beautiful spirit and enjoyed life to the fullest. Rest in Heaven girlfriend! I'll see you again on the other side!

“ A friendship formed over 40+ years ago is what Jessica and I shared. We met while working for Comerica (Manufacturers Bank) in the 70's. We had some wonderful times together. She was a beautiful person inside and out. I miss her already and forever. Be at peace my friend and sister.

To her family and friends, I extend my sincere sympathy and send my prayers and love to help in healing your hearts. Love you! Jackie

“ Thoughts and prayers go out to the family. Jessica was my manager for several years at the bank. She was a sweet, kind and beautiful woman. She taught me a lot. She would tell me stories about her younger years of her and her girlfriends standing outside of Motown watching the famous musicians go in, until Barry Gordy told them to come inside from the rain. I use to tease her about being a Diva about that! We had many laughs. She will be missed!

“ I met Jessica about 10 years ago at a class reunion. She was a friend of my dear classmate, Larry Moore. She was a beam of light and fit right end. We had a good time. I was preparing to come to their wedding when I heard the dreadful news that Larry had passed. My heart sank. These two beautiful people are back together again. May they rest eternally in the arms of Jesus.

“ What a pleasure to be able to remember Jessica as a co-worker and a friend. From the day we first met for a phone interview until the last time we spoke, she was always a source of support, sound advice and laughter... and what a laugh she had, especially when she was up to no good. I will treasure every memory I have of the years we worked together. My most heartfelt condolences to her family as they grieve the loss of this most precious woman.
