“ *May God grant eternal rest to our friend Jessie. Jessie and I worked together. Jessie became a friend and was at every milestone of my children because they don't have a grandma. To the family I say thanks for sharing her with us. Our belief tells us she has gone home to be with the Lord.*

“*Jessie and I worked together. She was always up for planning a celebration and having fun. We shared many happy times. She loved to travel and was always trying to make sure young people were involved in positive activities and recognized for their efforts. Tina, Vallie and Courtney I will keep you in my prayers at this difficult time.*
