“ To The Family:

*I pray that each of us can find comfort and peace even as we face this painful loss of a Man who meant so much to everyone and may these shared thoughts help you to always reflect upon the impacts that Jimmie made in my life as well as with countless others.*

*Jimmie has been a wonderful God-brother figure in my life who set a true and Christian example of what he means to live a life where all who had the pleasure of knowing him can only have positive memories. During the nearly 40 years that Jimmie has been a part of my extended family, it has been a blessing to see him demonstrate that he could be a loving and devoted husband to my dear sister-figure [Brenda] as well as a caring, giving and compassionate father to his children, step-children, grand children and great grand children down through the years. Moreover, Jimmie has been a kind-hearted brother, God-brother, uncle, cousin, friend and mentor to countless family and extended family members throughout the Downriver Wayne County Tri-City communities as well as in the Greater East Lansing areas for all those whose paths he crossed.*

*So many can join me in saying: Thank you for being an example for all men of color who needed to know what it means to "live your dash" demonstrating that you were a man of character, integrity and honor in your career as a Detective and Law Enforcement Officer until retirement, in your commitment to education where you graduated from Michigan State University and with your degrees and passion for animal science was able to fulfill your dream of purchasing your beautiful farm home in Eaton Rapids where you enjoyed owning horses, dogs, cats, and chickens over the course of the years. Thank you for also instilling the value and importance of obtaining a quality education in your children and grand children. Thank you for the generosity shown to all who touched your life where you loved to shower your family, extended family and friends with beautiful gifts from your heart, with wonderful memories of*

*visits to your farm home such as with opportunities to horse back ride and even play fun games such as "Family Feud" at Holiday gatherings!*

*Jimmie thanks for "living your dash" with such dignity and love for others that as much as we will miss you, we can say from our hearts, "rest in peace" because you deserve to "wear your crown in glory with our Lord" as Jesus now welcomes you saying "well done my good and faithful servant!" Please know that you will always be remembered and missed until we meet you again in Heaven!*

Warmly,

*Sandra Griffin on behalf of Byrd & Griffin Family*
