“ My heart goes out to the Wilder family. I miss Jodi so very much. We worked together for more than 20 years. I have the greatest respect for how she lived her life. I admire how she carried herself. She was always such a positive person, even when things were hard. She cared about people and took good care of so many. She was moral and trustworthy. I loved how she would call me crazy when I expressed a silly idea. She was the best of friends.

“ To Mike, Nikki, and Mike Jr. I was your mom’s friend for 55 years. I went through a lot with her even though I moved away many years ago. Remember your mom was a friend to many. She was a wonderful wife and mom, also. The memories that you have will be cherished by you for many years. R.I.P. Jody

“ All of my life, I have wanted to be apart of your life. You were one of my closest cousins and a role model in so many ways. You are loved by so may. I will miss the gatherings and projects. I will miss catching up on shows and movies like Chicago series and Mask Singer. I can hear some of your favorite phrases like "Bye Kool," "You so stupid, Laugh, " You can make soup from a rock," and You always in the street and never stay home". I am thankful I shared a piece of you. Memories last forever. As your marriage anniversary approach, I am thankful to have been a bridesmaid in your wedding. You will always live on in my heart forever. Bye Kool!
