“ My God Mom Jo. I can say so much great and awesome things about you. But one thing I can say is, you are and where a true light and beautiful person inside and out. You where a true woman of God through and through. I know you are resting in God's arms and at peace. I know the Angel's where rejoicing when you walked into those heavenly gates. I am proud, honored, and blessed that God allowed and granted you to be my God mother. You where the best and I know you are smiling down from heaven upon us. Love you God Mom Jo.
