“ *My condolences to the family, thank you for the opportunity of knowing him. The character of this man exceeded his stature. John didn't hesitate when it came to helping those in need, family, friends, strangers. His heart was just as forgiving as it was in giving. John was actually my birth mother's cousin, but when we met, him and his family has always been there for me. John help me out when I really needed it, but I will miss our conversations the most. The wisdom I gain during our talks...politics and current events our main topics. He was always straight forward, stern but encouraging. I will truly miss you "Big John", thank you for everything!*

Family, I pray the peace and comfort of God meet you in your hour of need. Be strong in the Lord and the power of his might...Eph. 6:10

Much love.

“ Please accept our deepest sympathy over the loss of John. May God provide the family with the strength needed to endure. As one faithful man said, I have hope toward God, that there is going to be a resurrection of both the righteous and the unrighteous. May the Family cherish these words and find comfort in this wonderful hope from God. Jworg

I will miss cousin John greatly. I am glad he is not suffering. It was a blessing to be with him a couple of years ago during a visit. Thank God he lives on in earthly family and that I got the chance to spend time with him and the family when I did.
