“ One thing I'm really going to miss. John ALWAYS had a comment on my Facebook page. And I'll definitely miss his compliments...they always made me smile. I almost don't want to do Facebook any more.

“ I genuinely believe John knew his time was coming to an end. In the past couple of years, he was very adamant about trying to meet people from his past...I having lunch or just meeting face to face with a lot of people from his life. Almost like he was saying his goodbyes.

“ John loved colors. I hope they have him in a beautiful color dressed for glory. He was a light to many and a good soul. He'll be missed. He also was artistic. Drawing and trying new things...like wanting to play the guitar.
