“ I lost touch with John some time ago. We kept in touch sporadically over the years. I just found out that he passed. We were friends and we worked together at Mystersky, in the union, and later on the apprenticeships program with the City of Detroit. John was a beacon of knowledge. I will miss him.

My condolences to his family and friends.

“ John was my dear sweet brother in law. We had a special relationship. He was loving and kind. I can't count the times he shuttled me back to the airport when I came home; always happy to do it, He was my brother! He loved my cooking; especially sweets. I would always put aside dessert for him to take home. If he wasn't at the gathering, I would make sure that someone dropped it off to him. He would always call and thank me. I was blessed to stop over and visit him while in Detroit last Mother's Day weekend. We laughed and talked ; hugged when I left and as always, said, "I love you" That is exactly how I will remember John. I am heartbroken.💔 I am at peace knowing that he is with our Lord and Savior, Jesus Christ! I know that we will meet again. The world is a better place because John was part of it! Prayers toward heaven for John's children, grandchildren, friends and family. May God grant you comfort and peace. Love, Faye Smith❤️🙏🙏🙏
