“ *He was the best PAPA ever. I am so heartbroken. He showed me what a family man truly is. I have so many life lesson learned from him. I wish I could just say I love you once more. He always rooted for me& was there when noone else was. He cared when I had noone. I feel so numb now. I am happy he's not suffering any longer and I feel I have a guradian angel Whispering turn that fire down girl....as the tears come I am blessed to have known this earth angel.*
