“ *Jolean and I grew up together on Holmur street, back in the 1960's... our families were friends and she & I remained friends, even though I currently live in Georgia... I will miss her bubbly personality and her contagious smile... R.I.P , my dear friend...*

“ *I am very sorry that I missed Jolean's Funeral Service. I am one of Jolean's oldest friends. We grew up together on Holmur Street, and our Parents were friends. In recent years, we did not always see each other, but we kept in touch by talking over the phone. May she rest in peace! God's Blessings! Brenda J. Miller*

“ *I have so many dear sweet memories with Jolean. So many good laughs. "Spinning Wheel" was our theme song that we sang together many times. On Fridays, we would say to each other:"See you in church." Peace and prayers for Jolean and all those she loved. Jolean was a bright light always. Shine on in heaven Jolean.*

“ Was saddened to hear the passing of Jolene. I worked with her for many years in the FBI and we retired at the same time. I will miss her laughter was contagious, her smile, her love for her coworkers and supported the clerical staff, and she loved going to the casino rest in peace, friend.
