“ I had the pleasure of working with Joe the past four years. His son was in my class. What a wonderful family and man. His dedication to those he loved was evident in all he did. My thoughts are with his family. I know he will be missed!

“ Joe I haven't known you as long as others but I know I will miss our talks about where you came from to where you made it. I will miss our talks about your family, friends, temmates and coworkers. I will miss our talks about God, I know you made it there. I will miss you.

“ Joe was the social post of Novi Power House. He knew everybody. Often engaging in conversation. No matter who you were or were your at. He would camp out on a exercise machine as his throne. It was hard to dislike this guy. His conversations would follow you into the sauna and hot tub. I think Joe believed he could solved every issue in society. Who does that? Men are supposed to be quiet and reserve.
Not Joe. We will miss you Joe.

“ I met Joe six months after arriving at Detroit Hamtramck Assembly in 1999. He ask me if ever been to local 22 meetings yet and I said no. The next meeting I went to it and saw Joe and said hi after the meeting Joe ask me if I would like to be on the recreation committee and I said sure. Got to know Joe more over the years help at the Union picnic and helping him out with the cedar point trip with the three buses which he put me in charge of one of them. Got to know his Wife and son I call little Joe. I left Detroit Hamtramck Assembly in 2009 to Fort Wayne Assembly Indiana. We stayed friends after I left came up to visit him during that time call them whenever I had a chance came out to his house couple weeks before his son Peyton graduated to do some work on his deck. the last time I saw Joe was at his son's graduation and we talked about all different things. and the last text that I sent him was to say Happy Thanksgiving on 2024. Joe you will be missed but I will stay in touch with the family.

“ I met Joe on the outdoor track at Milford Highschool. We struck up a friendship and became walking partners. We had some good talks. Joe could really tell a story. I know one thing for sure, Joe loved his family, he loved life and he loved the Lord. May he fly with the angels. I will miss you partner.

I had the great honor to know and work with Joe over many years at Det/Ham, (Factory Zero). Joe was as good a soldier as Local 22 ever had. His dedication to the recreation committee was second to none! He worked tirelessly to bring people together to promote solidarity and fellowship. Thank you for your service Joe, and may you rest in peace brother.

My prayers are with the Family. I attended school with Joe in Detroit. Hold on to the memories because no one can ever take them away from you. Remember we will see our Friends and Loved Ones again on the other side. Praise The Lord.
