“ Oh Joyce...my heart aches and tears are flowing. I called you the day I left work to go on maternity leave to let you know I would be out of the office for a few months. We chatted for a bit. You wished all the luck in world and I promised when I returned to give you call. That's exactly what I did. I'm saddened that I can only hear your voice in my head. I am already missing you dearly. You were truly a JOY to me and I'll always remember you especially when I bargain shop and plant flowers. Fly high and rest well my friend.

Love,
Sabrina K.
