“ *I do not have words of expression. I have memories that are moving within. My mother told me that I was named after her. Few knew... a family smile accompanied by a wink and a nod. She cared for me when I was a infant and always maintained that maternal warmth for me. Ironically, when I was about to be a mother, she told me that my baby would be born on her birth date. My first born was born on my Aunt's birthday date. That was many years ago, but I still remember the delight of my Aunt when I called her from New York Hospital to inform her that her prophetic prediction had transpired. I know the blood runs deep and words pale. It must be declared ... You gave a special love . Thank you for your goodness.. I smile and share your name... Your niece, Linda*

“ Mrs. Stewart was such an amazing person to be within the presence of. My life was immensely changed as she supported me throughout my career as an aspiring musician and minister. Her smile was truly radiant, and I truly thank God for blessing her and being a true neighbor and friend to my grandparents, Alfreda and Robert Clay. We will see each other very soon. In the great, glorious eternal walls and confines of the city of New Jerusalem. Thank you!!! Mr. Kyle W. Garrett
