“ *Mama, we just had our first Monther's Day without you and I cannot express the empty feeling that fills my soul. I am so lost, I long for your voice, and your smile. I miss saying I love you Mama and you responding "I love you more". As much as I long for you here I know you are at peace. There are days I can't breath when I think of the loss my sisters and I have to bare. I still cannot believe you are gone! I pray that we find strength to move forward. One thing I am sure of this void can never be filled. I love you Mama today, tomorrow and always.*

“ Although my heart is broken, I give thanks to my father Jesus Christ for allowing me to awake to this Thanksgiving Day. This is my first Thanksgiving without my mother, whom I miss so, so much. Mom, may you continue to rest in the bosom of Jesus Christ. I wish you were here to celebrate this day with your daughters. You taught us a lot about cooking and today we will continue to put so much LOVE into the meal we will prepare keeping you in mind. We will celebrate YOU 🥺💋🌸.

“ Vernon Chapel remembers a very sweet lady whose smile was always warm and welcoming. How touching it was to see her at service in the care of her three loving daughters. Tears of joy were shared by all.

May your memories of your Mom bring that smile she always shared with us. May she rest in peace in His arms! C. Snead
