“ *The loss of Judge is deeply felt by his friends, Eugene Melton and Dilbert Caldwell. We worked with him at the St. Louis Plant in Hazelwood, Mo. Eugene was transferred from Michigan with him and they met Caldwell at the plant. They were good friends. Shooting pool after work with Caldwell watching and terrified of Judge's dogs. He and Caldwell also shared the love of boxing. He will never be forgotten. Rest peacefully our friend. We send our heartfelt condolences and prayers to his Son and the family.*

“*"Mountain Dew"...sorry, I started calling him that when I was a youngster...I'm 47 now! I am Anthony, the Son of Pat and "TTT, (Ted). Judge and my dad Ted were lifelong friends for over 40 yrs. Through that relationship, Judge and I began our own friendship. He was like an uncle to me. Our absolute love for Rottweilers and shooting pool kept us bonded. I also know John (Goodie), And Sammy...his brothers... We've all shot pool in Judge's basement for hours, sometimes days at a time...lol.*

*My deepest condolences to Kevis, and the family. I'm so glad you reached out. It means the world to me and my family. I know what you're going through during this tough time...as mom just went to be with the Lord last month. T.Ted passed a few yrs ago now.*

*God is really building a team of super stars in heaven. My wife and family are praying for the Dew family, and hope to share many more memories in the near future. Judge was family to us...He will be truly missed and not forgotten.*

*Although I didn't know my Uncle very well, the few times I did lay eyes on him, he always welcomed me with a warm aura and smiling eyes. This told me he was a kind, gentle man with a heart of gold and a caring soul. Rest easy Uncle 🙏*

“ My dad was a good father to me and anytime I needed him for  
anything he was there. I'm truly blessed to have had a father like  
him, he was hard on me coming up and rightfully so because I was  
a hardheaded youngen, but I appreciate him for being hard on me  
to this very day & wouldn't have it no other way. Because the things  
that he instilled in me as a youngster kept me on the straight and  
narrow and out of prison or worse. He taught me that hardwork and  
dedication is the key. Love you dad man you will be truly missed!! 😭

“ It broke your heart when your favorite cousin as you would always say left this world. I find comfort that you are together again. I will miss my birthday calls from you, and the joy of you telling me that you share the same birthdate with my son. Until I see you again. Praying for Strength and Peace for Kevin and the family. Love loretta ❤️

“ Uncle J was just always a cool laid back soft spoken man but he didn't play, I knew he was a real boxer 🥊🥊 but he never had to put hands on us, but I think Kev might have got a shot or two of those hands 😊 🥊 had to sprinkle a little joy to dilute the sadness, Unc Judge you will be missed but those good memories of you since I was a kid will always be engraved in the fabrics of all of us..Rest easy Champ 🥊🕊️🕊️🕊️
