*Exhale, up late crying mommy looking at the last place your took your last breath mommy, then I ran across this ! mommy your death was unexpected, i just called you saying good morning mommy, mommy this pain hurts so so bad. I'm trying not to lose it, I'm still in shock , that's the only way I have been able to make it. I was born into this world by you with you. There was never a night or day I didn't call you mommy, I'm your baby girl, mommy i would give anything and everything to have you back, mommy i love you more then life, you were my life, how didn't i pick up in my spirit you would die. Everytime mommy you went to the hospital your kids we were there day and night by your side, mommy how and why did you die, this will eat me up everyday of my life , god I been sleep since August 13, 2020 wake me up out of this nightmare, mommy I will never be ok, my heart is broken, I want you back mommy, we had plans, you were not ready to leave, I will never except that , you loved your kids and our children. Mommy we will continue to take care of auntie Like you have for 45 plus years, mommy the days and nights I feel you at your home helps me to know that your spirit is with us still. Mommy I'm waiting for my dream with you, mommy your resting place is so peaceful , it let's me know you are ok but I know you miss us. mommy I thank you for everything , caring for me , mommy you were the best mommy ever! mommy you told me to not hate but always forgive, we were a small family but our love for each of us was bigger then anything . You will be missed mommy , daddy is so sadden by your death, we all can't believe you are gone. I can't write rest in peace , it seems like you are at the hospital but without visitors, mommy I love you so so much. I miss laying on you like a baby, I was always safe under you! Life will never be the same, I would give everything just to have you back and take care of you until you grew older, i didn't get the chance to care for you as you should have gotten older! mommy you make this statement so true "WHY THE GOOD DIE YOUNG" for those that may question my comment, my well being mentally, she was my mother period, you only get one, no other could replace my mommy, I was her keeper from anyone ,anything , i was her protector! But how I couldn't keep her from DEATH, I'm broken , DEATH YOU ARE SO SELFISH!!!! DEATH I want my mommy back!!!! See you tomorrow mommy at your grave!!! I love you mommy, samarra your baby girl! , EXHALE*
