“ *Julia was the sweetest and most caring person I ever met. From the first time of meeting her, she would embrace me with a hug and smile. I could ask her anything and she would answer back positively and with the Word of God. Even through her pain, she would console me during my pain. Always putting others before herself. I pray that the Lord keep Raymond and Julie's children and family during this time. Rest well Julia. My Mommy is waiting to greet you.*

*Love always,

“ *The memory that I share about Ms. Julia is that she was an awesome women of God always praying for me and my family. We did not get to see Julia and Raymond a whole lot but when they did come around everyone would be so happy to see them. I'm going to really miss her she always had kind words to say. May you rest in peace for I know that you are with the Lord. Love You*
