“ *My Uncle Judo may you rest in eternal peace. I have a lifetime of wonderful memories with you from childhood to adulthood. My best memories were from family reunions to family picnics and family gatherings. We shared a birthday Uncle and that meant a lot to me. You brought me my first 10 speed bike. I love and miss you Uncle. Continue to rest peacefully with Auntie Dorothy.*

“ I had the great pleasure of working with "Judo." We were in different trades, but we knew each other. People would ask if there was a pipefitter who did work outside, and I said Judo. And they were very happy with his work. I often thought about the people I worked with. We had good times and laughs! R.I.P. My friend.
