“ I share the same birthday with this great soul, while in Nigeria and even early part of her being in the USA she will call and we will sing and wish each other a happy birthday. She was a strong personality, disciplinarian with godly standards. A woman of virtue and an impeccable character. She was full of love and a worthy example of the Christ like nature we have as His children. We all will miss her presence here in this world but she has gone to a far better and glorious place. We celebrate your life, your impact and your essence in life.....I know you are at rest and with Christ in glory..REST ON MA!!! You are the best and am glad your life crossed my part and made a sounding impact. Glory to God for the life you had lived while on earth.. Adieu Mummy Mummy 🙏😊🙌🌟
