Jamal, your smile was infectious and fun to be around. I went to high school with you and then worked with your mother who to this day is like a mother to me!

“ *Kamal was one of my first visitors after Shannon Elise was born. This tiny, one-day old baby smiled every time she heard his jovial voice and even tried to turn her head towards him! That was the beginning of the Baby Shannon & Kamal cousin love. Rest easy Kamal...your infectious smile and humor will truly be missed by all who loved you.*
