“ Karen you will be missed but never forgotten. I am deeply hurt by your passing and will remember the good times we had from spending the night at Gradmas house, making cupcakes, and your love for macaroni and cheese was outrageous. As to dancing on the "Scene" and modeling these are experiences I will never forget. Memories of you and Sylvia taking Angie and I on the bus to the movies downtown was a blast. We will always be family. Love you for eternity, from Andrea your niece.
