“ Chontelle and Curtis,

We thank you for sharing your mother with our family. Our family will miss Kathy's friendship and being an "extra" grandma to our children. We treasured her kindness and warm smile and it's been a privilege to have known her.

May God keep you and your families during this very difficult time.

“ I have so many memories with her, but my favorite memory was my last memory with her, I was doing her hair and I put on some Motown and we had a ball we were singing she was sitting in her chair dancing I was standing behind her chair dancing and singing right along with her, It was just a lot of fun, I'm going to miss my mom but I'm blessed to have my memories,

Charmin Kimberly Levert - October 02, 2024 at 09:47 PM

“ I'm really going to miss my cousin Katherine. It was so nice meeting her for the first time. I love listening to my mom's stories of her relationship with Katherine when they were children. I loved Katherine's spunky and independent attitude. We shared a love for Skinny Pop. When Katherine sent me a bag of lime skinny pop, that was the best popcorn ever. I can never find it now. Katherine left before I got the chance to send her that multi-bag box of skinny pop from Lowes -- a reminder for me not to wait in the future. Time waits for no man, and it did not wait for me to send Katherine her skinny pop. It wasn't the skinny pop, but I wanted her to know I was thinking of her. I will really miss that lady. . I loved you, Katherine! Rest in heavenly peace. Until we meet again. Toni Childers Everett

“ My cherished memories of my Great Aunt Kat are our marathon phone calls everyday all day, a couple of times per day. She was the perfect mix of sass and spiritually wise. She gave me advice whether I asked for it or not but it was always good sound advice. She gave me insight I didn't know I needed. What I will miss most are her "Good Morning, Good Morning, Good Morning" texts filled with encouragement and good vibes. I will miss her wit, spiritual wisdom and down to earth nature. She was hilarious! I never knew what she would say so it always caught me by surprise. Her departure has left me with a gaping void but I'll always cherish her memory. She will always be in my heart❤️
