I had the pleasure of working closely with Mr. Keith during the 2022-2023 school year. If you worked alongside him, you know that this picture accurately represents how he showed up for his students every day. He had an infectious smile, gentle spirit, and was always ready and willing to play a game, do a silly dance, or provide a hug when a student (or, trust me, adult) needed it.

Ubuntu means I am what I am because of who we all are, and Mr. Keith really was one of the best of us.

My entire family's prayers are with you and prayers of peace . Jason was such a beautiful baby and lovable child who grew up to be an awesome man, in such a wonderful environment and I thank God that he was a part of our lives as well the Caruthers family.
