“ *In Loving Memory of Darnell*

Darnell was a truly special soul—kind, gentle, and full of quiet strength. To know him was to witness the way he carried himself with grace and dignity. He loved to dress well, always looking sharp and polished, a reflection of the pride he took in who he was. But beyond his impeccable style was a spirit that left an imprint on everyone he met.

I only have fond memories of being in Darnell’s presence. He had a calming, genuine way about him that made you feel at ease. He joined us for 4th of July festivities, where he laughed, shared stories, and embraced those joyful moments we cherished as a family. It was during these times that his warmth and love for his family truly shined.

One thing that was always clear—Darnell loved his mother deeply. That bond was unbreakable, and it was beautiful to witness.

Darnell will be missed more than words can express. Our hearts are heavy, but we are grateful for the time we had with him. His memory will continue to live on in every laugh, every story, and every family gathering he once graced with his presence. Rest peacefully, Darnell. You are deeply loved, and you will never be forgotten.
