“ *I remember fondly when Kevin, Lil Punchie and Lil Myron visited me for the first time in Florida. They flew alone on the plane and were between the ages of 9 and 14. I will always remember the great time that we had traveling around Florida. Fatinema, we get through tough times like these by holding onto Precious Memories. I love you. You will always be in my prayers. Grandma Rai*

“ *My prayers and sympathy goes out to big Kevin and the entire family. This is such a tragedy but what the devil means to harm and destroy us, just trust and know that God means for good. Right now you may not see or understand it but just continue to let God lead you and His purpose will be revealed. Though I'm your aunt we're not very close, but I still feel your pain. Look to the Lord for your strength.*
