“ It is with sadness and tears that I write this condolence - Kevin and I were friends for almost 35years - he was truly one of a kind. His smile, laugh, hugs, and stories were legendary. He had a way to always make you feel like you were the only one in the room. Working with Smitty over the years made things so much more fun. He simply loved life - even after we stopped working together, he maintained contact and always took the time to reach out - even if it was a 60 second conversation, he wanted to know how you were doing - my prayers and sympathy go out to Robin, Pyper, and Evan - he simply adored you and was so proud whenever he spoke of each of you to me. I treasure all the friends in my life, but even more so the ones that made you a better person, and that was Kevin. May God bless you in the months ahead, and eventually turn the sorrow you now feel into warm smiles of gratitude whenever you think of your husband and father - the same prayer is also for the rest of us as well.....Rest in Peace Brother Kevin - I will miss you forever. Love, Ronnie K

“ I am so saddened to learn about my elementary and high school classmate. Rest In Peace, Kevin. I'm sending my prayers and condolences to the Smith family. When the time is right, I sure want to reach out to Robin. Just a few months ago, I reached out to catch up but the phone number I had no longer worked. Then, last week, my phone automatically shared a memory with me. It was our 4th grade class picture! We were about 10 or 11 years of age. (Tears)

“ I offer condolences to the Kevin’ Smith’s family. It was admirable to see and know Kevin’s love, care, involvement, investment to /with his family. Kevin was also supportive and caring to the kids and their families who attended school with his kids. Kevin greeted, encouraged, and was very gracious to my kids and family, he treated us as if we were an extension of his family. The Smith family treaded us as like family. Please lean to the Lord for love, comfort, and support. Please know that I am available for your family! Love the Echols family, from Suder!

“ Our deepest condolences and prayers to the entire Smith Family! Our family met Robin and Kevin thru my daughter Toni and this friendship turned into family. Kevin was the kind of person that would strike up a conversation with anybody he met. Our family lived in this neighborhood all of our lives so we know a lot of people here. Someone named Kevin the Mayor of Bronzeville because he knew everyone in the neighborhood. If you were walking down the street or on the bus stop he would pull up on you and ask if you needed a ride. People were so surprised when they found out that he wasn't from Chicago. Although they moved I'm sure Kevin still visited 35th St. I can only imagine they felt like we did when they heard of his passing. Mrs. Smith, Robin, our babies Pyper and Evan and the family we lift you up in our prayers that God will continue to give you the strength you need during this time! 🙏🙏🙏❤️❤️❤️

“ *Kevin (and Karl) were the first 2 people that I met when I was old enough to walk from the front door to the sidewalk on Cloverlawn. I did everything with the Smith Brothers (Baseball, Basketball, Street football, Ice Cream Trips, and even sneaking off the street to go to Elmers Hamburger).*

Kevin always was just cool to be around! I thought I felt a loss when he and his family moved to Southfield... but Kevin always dropped a line when you least expected it.

I know he's up in Heaven having great conversations with old and new friends alike. Kevin was hard act to follow. He will be sorely missed. Love you for life my brother!

“ The Smith family were my good next door neighbors for years in Chicago. When they moved one of the things I missed was standing in front of the house just shooting the breeze with Kevin. He always knew what was going on in the neighborhood. Kevin was always willing to lend a helping hand, give sound advice and his opinion on everything from politics to the weather. Kevin is gone in the physical but his spirit, smiling face and fond memories will always live on in the hearts ❤️ and memories of his family and friends. He will be missed but not forgotten. I pray for God' s Peace comfort and blessings for the family. Sabrina, Jhahnay and Barack.

“ *Kevin’s happiness will be missed. He and I never formally “met.” We just knew each other from the cradle. As neighbors, friends then adjunct family, I always felt that my true brothers were always my blood - Ray and Kyle...and also Kevin and Karl 😊. Friends through college, we helped each other and had a blast along the way: he, the “math” guy and I, the “English” lady. Beautiful memories. Rest well, Kevin.*

“ Growing up in Michigan next door to Kevin and his family leaves me with a bounty of great memories. Kevin was always cheerful and uplifting to everyone that he met. He just called me a few months ago after I moved to Missouri and we talked on the phone for about an hour! We talked about all the different experiences that he, his brother, our friends, and myself had growing up in Michigan. He truly loved his parents and his family, and when he married Robin, and had children, he was even happier. I will always love Kevin and his family and I am heartbroken during this somber time. Kevin was truly a gentleman and an uplifting spirit. Kevin was y tone epitome of a strong husband, father, son, and brother.

“ We send our condolences to Kevin's family and AmeriGlobe family. He was such a kind and warm soul. He would always ask how things were going first before we talked any business. He loved to talk about his wife, kids and Mom! We will miss getting that phone call to see how things are going but are so grateful to have known and worked with Kevin. You are all in our thoughts and prayers and may God and your wonderful memories of Kevin help comfort you. Kevin's friends at Lawgix International.

“ My thoughts are with the family and friends of Kevin. He always had such an outgoing and caring personality. Although I did not work directly with Kevin, he and I became friends as a result of his occasionally dropping in for a sales meeting or some other Ameriglobe function. He would always make it a point of looking me up when he was in town. I will never forget the way he would lift people up if he though they needed a little encouragement. He was a delight to be around! May Kevin rest in peace and his family be encouraged by all the impact he had on other's lives. I will miss him. Cliff

“ I am truly sorry for the loss of Kevin Smith. He was a blessing to work with and certainly one of the nicest people I have ever had the pleasure to know. One of the great things about Kevin was his ability to bring a bright moment to your day, even when the stress of work or life was high. He always called with an upbeat attitude and always spent the first few minutes asking how I was doing and how things were going. It is always a joy to speak to someone who has the ability to lift you up in a moments time and Kevin was that type of person. He will be greatly missed. May God bless all of his family and friends and take Kevin into Heaven with loving arms. Kevin, I look forward to seeing you again soon, my friend. Love ya.....Blaine Beck

“ *Your Family is in our thoughts and prayers! I will miss working with Kevin and talking to him. When he called, he always started by saying "What's up?" with a big smile on his face. He always took the time to chat a bit before getting down to work -that's what made him a so very special - he always stopped to smell the roses and reminded me that I should too. Kevin often talked about how proud he was of his kids and appreciated his wife's support when he changed jobs to join AmeriGlobe. I hope that the everlasting memories of Kevin will help you through this journey. Kevin was will be missed by all of us. He is at peace now and in God's kingdom. With love - Mary Clark*

“ Your family is in my thoughts and prayers and I will really miss working with Kevin. It was great working with him and always had a story to tell. We always talked about our kids and what they had going on in their lives and talked about our pets; he really loved his dog...LOL He always did a check in, just to see how we were doing that day and in a great mood! He really had a love for people. I feel lucky and blessed to have known him.
