“Korey was a true genuine angel here on Earth. He has always been very supportive for family and friends and I'm proud to call him my friend. He's left an amazing abundance of memories that my children and I will cherish forever. I will keep his entire family in continued prayers now and afterwards because God knows that they will need Him.

*Close our eyes, we do give thought.
The lessons learned that we've been taught.*

*You shared your kindness; you lent an ear.
By understanding and being sincere.*

*Compassion you've shown, right from the very start.
You shared in comfort and used your heart.*

*Simple things, difference does make.
Your smiles were gifts, a genuine and true keepsake.*

*Eyes wide open, something so true.
Just love the times we shared with you.*

*You will truly be missed dear friend
Tonya Ritchie*

“ I had the opportunity to work with Korey several years ago when the US EPA had an environmental project in Detroit. I remember his expertise and professionalism throughout the project as well as his friendliness and outgoing nature in working with our team. My condolences to his family.

“*Korey was, and will forever be remembered, as a bright light in people's lives. His smile and laughter always made my day. Once he admired my "kicks" and how they matched my sweater. Made me give him my phone so he could take a photo. He was always looking to help others, in big and small ways. He'll hold a spot in my heart always and be missed.*
