“ *What a wonderful spirit. Not too long ago a lovely couple came into my life and I remembered how sweet First Lady Glass was. I had said to Mr and Mrs Glass I have a rambunctious 2 year old who would fit perfectly in your home, in your life. First Lady smiled from ear to ear, when she said bring him here. Later, I had the pleasure of meeting her again at her youngest child’s basketball game. Still a sweet spirit as always. Such a lady. A wonderful mom. You will be sorely missed. Heaven has an angel.*

“ *I remember meeting sister Betty at the adoption festival. She was so radiant and beautiful. We would later worked together on 2 adoptions. We became close friends. Shea's one of the kindest and compassionate persons I have ever known. She would give you the shirt off her back and go Tom the end of the road Tom assist you without whatever you were struggling with. I am lost for words to describe the loss I feel. The world has lost a great person but God has another bright Angel in Heaven. I love you dear friend. ❤️*
