“ I am sending my prayers and condolences to the Liverman family. Mr. Liverman was my 5th grade social studies teacher and my science teacher in 7th grade. He was a really nice and God filled man. He was one of my favorite teachers at Burbank. I am praying for you all! He is in the arms of the savior now.

“ My condolences to the Liverman family. Mr. Liverman and worked at Heilman Middle School in Detroit, Michigan. He was a very genteel gentleman. Always soft spoken but when he did speak he spoke with power and had a message for one and all. God bless all that knew him and the various lives he touched during his teaching career.

“ *To The Liverman Family, Norman and I would like to express our deepest sympathy. Remembering the times that were shared in his presence were always superb. Just thinking back at sitting at the breakfast, lunch or dinner table and reminding him that it is not all for him or him eating all the fish off the grill as Norman was grilling it. Those were times treasured and now we put a cap on them and let him RIP. I thank GOD for them and may he forever continue to Bless The Livermans. Peace and Love,. Norman and Gwyn Hudson*
