“ *My heart is broken. 💔*

*Lakeisha was so much more than a friend or coworker. We were sisters. For years we shared life together, watched our children grow up, laughed together, cried together, and made memories I will carry with me forever.*

*Life took us in different directions, but my love for her never changed. I will love her forever and will always be grateful for the years we shared.*

*Rest peacefully, Lakeisha. You will always have a place in my heart.*
