“ *In Memory of our Special Brother Larry --- It's sometimes hard to know why some things happen as they do. For so much Joy and happiness was centered around you it seems, so hard to comprehend that you're no longer here with us. But all the happy memories will help to keep you near you're thought about with Eternal Love Brother with each mention of your name. Death cannot change a single thing your Love will always remain with us your Family Gale, Mingo, Willie, Sandy, Alice Lillie and Ted may you rest in peace with God and the Angels in heaven.*

“ *Peanut was a cool guy that always talked a lot of mess. My most fond memory of him was we were all talking junk to one another and cracking jokes. Peanut said alright you keep talking I'm going to put you in the domino stretch. I call myself pulling his bluff saying old man you not going to do nothing. Next thing I know he jumped up and actually put me in the domino stretch and I couldn't get out of it. The only way I could get out is to tap out and say I'm sorry for calling you a old man and under estimating you lol. I will never forget him. He was a fun guy to be around and he will be truly missed. My most sincere condolences to the family. Love Nisia.*
