Dear Family

With you in spirit. Loved Larry like a brother. He was a wonderful entertainer who loved his family, Serieux family, friends and fans. I will never forget the 17 years spent as Road Manager for Serieux and his surprise appearance at my 70th birthday celebration. He will always live on in my heart.

My deepest sympathy to the Griffin family. My favorite memory was performing Uptown Funk with him at my dad's 70th Birthday celebration. I want to thank Larry for introducing me to Amazon Fire Stick.

God Bless you I love you.

“ Larry and I met in 2018 and he was pretty much a part of my life almost daily via texts, phone calls, video chats or visits. He was beautiful, dynamic presence in my life and I am feeling a very deep void. But am forever grateful that we connected. As the song says " I wouldn't have missed it for the world" Rest in Heaven Sweet Man . You are forever a part of my soul journey.
