“ Though our time of meeting each other was brief and our acquaintance limited, the memory of you remains a treasured possession. I will always hold dear the impression you made, however fleeting it may have been. It is remarkable how a few moments can leave such a lasting impact on the heart. I am grateful for the small piece of your presence that I was able to experience, Uncle Latanze. That memory will forever be a cherished part of my journey. 🕊️❤️🙏

“ Latanze was a very good husband, father, & grandfather to his loving family. Latanze loved his mom so so so much. Very silly man, that made me laugh, even if I got mad & thought it wasn't funny. I still end up laughing 🤪 anyway. I give all condolences 🌸 to family. I love you all so much & im praying 🙏 for the family strength. I will see you later La'tanze. Gone but never forgotten.
