“ *I met my 'Vernie' as I always called her while working at Ford Motor Company over 40 years ago. We were instant friends, having lunch and taking our breaks together everyday. Vernie and I talked about everything and felt comfortable confiding in each other. She always had that award winning smile, even when she was angry, a smile eased in while fussing. I was blessed to keep our friendship going even after she left Ford. We've been together through the death of our parents, her son Carl and my grandson, Xavier - we were friends to the very end!!!! I will always love and miss her dearly.*

“ The Julius A. Smith, Sr. Family has been away from the Shiloh Family for 45 years but you are etched in our hearts! We love you all as much today as we did when we left in 1974! The Enoch and Mentoria Bragg Family members had a special place in our hearts. My daughters, Monica and Alisa, were church sisters to Rene and loved her very much. We always looked forward to visiting our "home church" and seeing family members. Our sincere condolences to the Bragg Family and the Shiloh Baptist Church Family. Rene will be missed and forever loved! 🌸💕

I know this is going to sound crazy, but my daughter reminded me of the times we were talking in church during service when she had to shush us, all I could do was laugh, I so looked forward to church every Sunday because you and the people I grew up loving were there. I am going to miss you, you were a very special lady in my life and I have known you all of my life, I love you my friend! Family I love you all and you are all in my prayers. Tammy Rolack and the Rolack family send our love your way, God bless you all.

“ My heart is heavy. I have known Laverne about 57 years now. We went to elementary, junior high and high school together. Laverne was my Ace Boon Coon (lol). We hung and had a lot of good times together back in the day. I last spoke to her the day before my birthday because she wanted to be the first to wish me Happy Birthday. I will miss you my friend, but I know I will see you again. Be sure and say hello to my sister, Phyllis. My prayers go out to Myrna and Micah and the rest of the family. I am in Florida now but I am only a phone call away. Love you all.
