“ Deacon Bailey was a dear, kind and compassionate man. He gave so much of himself to others as we worked together to promote organ and tissue donation over many years. I can still hear his larger-than-life laugh as he shared his incredible story with others to encourage them to sign up as a donor. I will miss his passion and zest for life! It was a blessing to have had the opportunity to get to know him over the years and he will be greatly missed.
