The collage contains several elements: a portrait of a man in a suit, a group photo of people, and a document with text. The document appears to be an obituary or a form with fields for 'Name', 'Address', 'City', 'State', and 'Country'. The text is partially legible and includes the name 'Shawn Lee'.

“ *Lawrence...I'm going to miss your laugh, your sense of humor, your late night calls and all the ripping and running around that sometimes irritated me so, but it was my privilege to be there for you as you were there for me. I feel your loss and i'll forever have you in my mind and heart. I pray that our heavenly father and our ancestors were there to greet you and welcome you home. Your heart was big and its evident whoever you encountered knew it as well. Love you Big Brother.*
