“ Grandpa Larry as my son Cameron would say, was a wonderful human being. I enjoyed the times I could play dominoes with him and on behalf of my husband and I, our sincere condolences to all who loved Larry. Mom, he will always be with you.

I certainly had some wonderful times with Larry and I am still in denial that memories will have to replace our spiritual and physical bond. I felt welcomed in his family and it has gotten stronger to date. I know you have been welcomed in the fold of God.

Larry Sangster was a spirited, funny and intelligent man that I had many great political conversations with, I will miss that. My condolences from the Fyffe family to the family and all his friends that will miss him dearly with his blustering laugh that everyone knows. Dominos with Leo now, take care my friend.

*We are all saddened to hear of Larry's passing. Larry was a loving, caring friend, always willing to help especially new students arriving from Jamaica. We spent many fun moments together in Ann Arbor and Detroit cooking, eating, and playing dominoes . No topic was off the agenda whether it was politics, school or sports.. Needless to say some of them were quite heated. For Janet, Nadine, Shelly, Donna and remaining relatives we hope that you cherish the happy memories that we all shared many years ago.
May God bless you all, Tingling Family.*
