“ *Sweet angel...gone too soon...our family grieves, but you are safe, no more pain...
"...And when great souls die,
after a period peace blooms,
slowly and always
irregularly. Spaces fill
with a kind of
soothing electric vibration.
Our senses, restored, never
to be the same, whisper to us.
They existed. They existed.
We can be. Be and be
better. For they existed. Lee existed."--Maya Angelou*

*RIP...you will live in our hearts.
Love,
Cousin Ree*

God has now cradled Clinton in his loving arms for eternal rest. Although it saddens us, we should know his physical journey has ended here, but his heavenly journey is forever blessed with joy.
