“ Dear Auntie, I miss you already. If I never told you before, I'm telling you now and hope somewhere in your heavenly world, you are able to read this message. Thank you for always having a listening ear and open heart for all who came to seek your advice and guidance; particularly for Pinkie's children. You assisted Mom in raising all her nine children and were always there when she needed a helping hand. I remember as a kid when we could not wait until the weekend because our weekend's meant we were going to spend it at your house. I think I speak for all my brothers and sisters when I say that we made so many joyous memories in your home. The laughter, dancing, and of course the food made for some pretty amazing times that I will never forget! My happiest memory is when you would bribe me, Patsy, Angey, and later on Melvin into dancing for you and you would pay us. You would laugh so hard at our dancing skills (or lack thereof), but we didn't care because one thing for sure is we knew when we got to Auntie's house she was going to pay big money to watch us dance. You see, it was a trade-off...you got your laugh on and we got paid! On a more serious note, over the years I have missed your kind heart, loving spirit, your laughter, your dancing, your guidance, your advice, and your zest for life. You were definitely a role model and someone I always looked up too with eyes wide open. It is no wonder that now during this difficult time of you no longer being here on earth that many offer their condolences for our family's loss and many share in our grief. You were and always will be some kind of special! I pray that you are resting well now and that when you arrived at Heaven's Gate you were greeted by all our loved ones who arrived there before you. I know they were elated to see you gain those much deserved Wings.

*Until we are ALL together again, please watch over us down here and continue to guide us as you always have. Give my Mom a kiss for me, as I miss her everyday. Rest well my Lady you did Good!*

*Love your niece,  
Sill*
