“ *You are one of the kindest, sweetest, and purest person I have ever had the pleasure of meeting! Thank you for allowing me to be your friend in your life time. Though, you may not be physically here, just know I will still be chatting you up! I was going to write some personal items on here but we will always be in touch! Thank you for everything! You helped me see that there are honestly good people out there, and I cannot thank you enough. Gloria in Excelsis Deo, Amen 🙏🙏🙏*

“ Lewis,
I was very sorry to hear about the death of your nephew. You and the members of your family have my deepest sympathy. Though death is inevitable, the hurt that follows the loss of a close family member is quite intense, and little can be done to comfort the bereaved family. Blessed are those who mourn, for they will be comforted. – Matthew 5:4

I was very shocked to hear this sad news. I knew Leon in high school. All good things to say and great memories when reflecting back on that time period. Leon was always very positive, a good friend, and like an older brother. My thoughts and prayers are with the Jefferson family.
